## GREAT SOUND EVERYWHERE. HIT THE ROAD WITH QUINCY JONES STYLE.

Signature Edition Q460 mini headphones will connect you to your favorite music from virtually any portable player and with all the dynamics you expect – and Quincy Jones demands – from AKG products. Q460s are the perfect partner for use with smartphones, allowing you to make and receive calls from any portable phone. Plus, they work seamlessly with iPhone devices. With their ingenious three-button remote, Q460s can control the music playback functions (play, pause or skip tracks). They also come standard with an in-line microphone that works with any and all mobile phones. Designed for long hours of comfortable use, the Q460s fold flat for easy portability and feature a detachable, single-sided cable in two different lengths. We don't think you'll find a livelier, more accommodating traveling companion.

*"I visit more than a dozen countries every year, and these are the headphones I want with me."*

– Quincy Jones
