

Summer Reading Adventure Map

Presented by Amazon.com and Kindle

Wherever you spend the summer, an adventure awaits between the covers of a book. Travel the world, sail the high seas, make new friends, or journey through time and space. Where will you go? We hope you'll discover 10 new books to create your own summer of adventure before school starts—X marks the spot on your Adventure Map when you choose your books and keep track of when you read them and the journey you took within the pages.
